

2025

PRESBYTERIAN WOMEN

Birthday Offering

For the LORD your God will bless you in all
your produce and in all your undertakings,
and you shall surely celebrate.

—Deuteronomy 16:15b

2025 Birthday Offering Recipients

The PW Birthday Offering is an annual tradition for Presbyterian Women. Since its beginnings over a century ago, grants from this offering have funded more than 200 major capital projects and today the fruits of this labor are still found in places such as South Korea, Peru, Malawi and all across the U.S. By providing funds for hospitals, schools, homes for children and so much more, givers to the PW Birthday Offering help carry the promise of God's love, grace and kindness to people in all parts of the world.

Support the Birthday Offering so that organizations like the ones selected for 2025 will continue to receive God's blessings "and they will surely celebrate"! (Deut. 16:15b). Give through your PW group or at presbyterianwomen.org/give.

Leland Presbyterian Church

Windward Volunteer Housing Facility

Leland, Mississippi

\$150,000

Much of the population around Leland Presbyterian Church, located in the heart of the Mississippi Delta region, struggles with barriers to adequate housing, healthcare and food access. When disaster strikes, residents do not have adequate resources to recover. Volunteers who travel from outside the area to assist in home repairs and community improvements can be the determining factor in whether a family can fully recover.

This Birthday Offering grant will help build a housing facility at Leland Presbyterian Church. Windward Volunteer Housing will offer safe and comfortable accommodations, including showers, laundry equipment and a kitchen. Members of the community who need a temporary place to stay and volunteer groups who come for disaster recovery will find a warm welcome in Leland.

Red Cloud Renewable

Lakota Thiyuha Dome Home Project

Pine Ridge, South Dakota
redcloudrenewable.org
 \$150,000

Tribal communities in the U.S. are experiencing a housing crisis, and the Pine Ridge Reservation alone needs an estimated 4,000 to 5,000 homes. Responding to this great challenge, Red Cloud Renewable, a Native-led grassroots nonprofit organization on the Pine Ridge Reservation, provides free training and workforce development opportunities designed to “teach our tribal relatives to fish.”

Thiyuha in Lakota roughly translates to “having a home; starting a family; settling down; creating new life.” The Lakota Thiyuha Project aims to increase housing availability through construction of innovative dome homes that are energy efficient, economical, simple in design and easily teachable. The Birthday Offering grant will construct three dome homes, providing housing as well as creating publicity for this affordable option. Construction apprentices will gain experience in this building technique that can rapidly and affordably increase housing availability for Lakota families in need.
